## LEASED LAND RULES OF CONDUCT

The training grounds and bird pens are available for use only to Chapter members in good standing. Guests must be accompanied by a member and are expected to join the chapter prior to a third visit.

### **TRESPASSERS WILL BE PROSECUTED**

- All members and guests must agree to and sign (electronically if paying online) the NAVHDA WAIVER AND RELEASE AGREEMENT prior to entering and using the Chapter Grounds (Weigand Farm).
- All standard safety rules are to be followed and will be enforced at all times. If you encounter a questionable situation, question it.
- All birds purchased at the grounds must be paid for prior to being removed from the pens.
- Training and shooting hours are from sunrise to sunset during the training season. The training season is April 1 to the opening day of the Wisconsin Ruffed Grouse (Zone A) season as defined by the WI DNR.
- All dead birds and trash are to be removed from the property. This includes any dead birds found in the pens while catching your training birds. Please do not assume that someone else will take care of them.
- At least one article of safety orange, yellow or pink clothing must be worn while training on the grounds.
- No hunting of loose or "scratch" birds. Only planted birds may be harvested during training exercises.
- All dogs trained on the grounds must be of a NAVHDA recognized breed and eligible for registration. Members' dogs are expected to be registered with NAVHDA.
- Everyone present on the grounds is expected to conduct themselves in a courteous, ethical, and safe manner. Please introduce yourself to other members and agree to a plan of use when others are waiting to use the grounds.

Failure to comply with these rules can result in the revocation of Chapter membership. Please report any concerns to a member of the Board of Directors.
